ROCK SCORES HIGH IN JUDGING CLASS

J. C. Nisbet Stands Third in State Judging Contest During Farmer's Week.

ROCK COUNTY FIRST! Final awards in the judging contest gave Rock county the top position, according to a telegram received Friday noon. The average on the Rock county team was 79.5 per cent.

J. C. Nisbet, Robert Traynor and Archie Reid, Jr., were among the first 10 high and the other three members, Roy Huginn, L. E. Jackson and Lewis C. French were high up to hold the county percentage enough to distance Richland and Waukesha counties.

Rock county placed three among the first 10 men in the Wisconsin state judging contest held in Madison which ends Saturday at the College of Agriculture, Madison. This assures the county a high standing in the county championship contest for three others on the Rock county team were close-up in the final standing.

Around 150 interested farmers participated in the contest. Classes of cattle, hogs, beef and dairy cows, horses, sheep and swine were taken from the university farm and placed by the teams on score cards. Then breed experts judged the classes and made lectures on the awards.

Five or more were needed for a county team and Rock was represented by Jack C. Nisbet, who placed third for the state, Archie Reid, Jr., Robert Traynor, L. E. Jackson, Roy Huginn and Lewis C. French.

V. S. Davis, Richland county, placed first with a score of 82 and the veteran McGee, Waukesha county, second with 80 per cent. Nisbet averaged 81 per cent for third. Donald French was fourth with 87. L. P. Martiny, L. J. Morrison, Walworth county agent, Robert Traynor all had an average of 81, with Archie Reid, Jr., with 80 per cent and Peter Peterson, 76. Roy Huginn and Lewis C. French were close behind with 75 per cent and L. E. Jackson with 72 per cent. Rock and Richland counties were the two leading contestants as the county championship was being figured.

Farmer's week attracted more than 250 farmers from all parts of the state, attending the program scheduled by the college and the various association meetings. Despite cold conditions, there were 20 from Rock county and almost as many from Jefferson and Walworth attending. New ideas were put forth especially on the cattle selling technique. On Wednesday and Thursday, Valerius Ollie Hiltbrand, champion Holstein bull, was led out and shown to the crowd and he compared to the model. Earl Cooper, representing the national Holstein association, lectured on true type and urged farmers to breed cattle

CITY TO VOTE ON MANY CANDIDATES

3 Councilmen, 7 Supervisors and 4 School Commissioners to Be Named.

Janesville will elect candidates this spring to some 22 offices, including three councilmen at large, seven supervisors, seven constables, four school commissioners and one

justice of the peace. It will be the first election since the city manager form of government became effective here and for the second time there will be no balloting on city employees formerly elective, such as city attorney, city clerk and city treasurer, as these officers are now appointed by the city manager.

General Election April 1. In addition to the 22 city offices, Janesville will vote on candidates for circuit judge.

The date for the general spring election is April 1, and the primary, if any is held, will be March 18. Candidates who may desire to file for a primary must have their nomination papers in by March 2, but it is probable the custom of former

years will prevail again and no primary will be held.

Officers whose terms expire this spring and for whom successors will be chosen are:

Councilmen-at-large—A. J. Gilbois, Mrs. Emma J. Manning and George A. Jacobs.

School commissioner-at-large—Mrs. Helen Sutherland.

School commissioners—E. C. Grant for second ward; William Denning, fourth ward; and Mrs. Alice Holmes, sixth ward.

Supervisors, for two-year terms—George Woodruff, first ward; M. P. Richardson, second; E. D. McGowan, third; J. A. Denning, fourth; A. Jay Walker, fifth; Wm. J. Jones, sixth; L. A. Markham, seventh.

Justice of the peace 1-year term—No incumbent.

Constables—Frank Britt in fourth, W. E. Dulin in fifth, Constable in other wards not functioning.

NEW LOCAL MANAGER FOR STANDARD OIL

Leslie W. Apfel, Janesville manager for the Standard oil company for several years, has been promoted to the position of city manager for Janesville and circuit points. He has been succeeded as local manager by E. R. Macdonald, Milwaukee, formerly salesman for the Standard oil company at Burlington.

Why do you eat Bran?

TO FIGHT CONSTIPATION—the most dangerous condition your system can become chained to—to get free from heavy biliousness, dull headaches, nausea—etc., etc.!!!

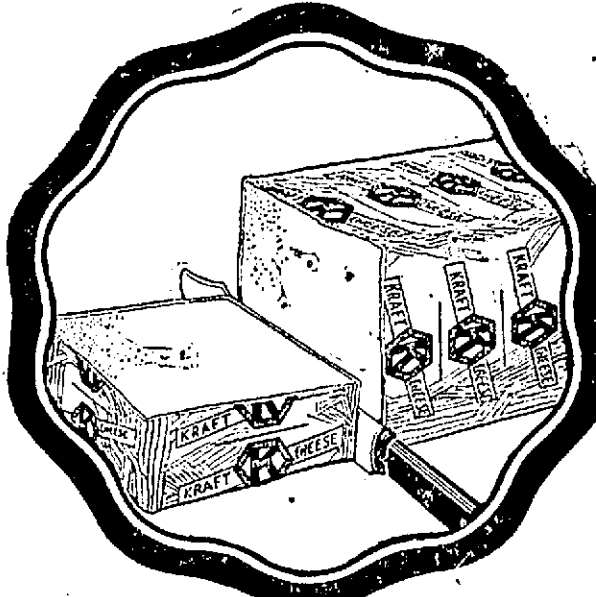

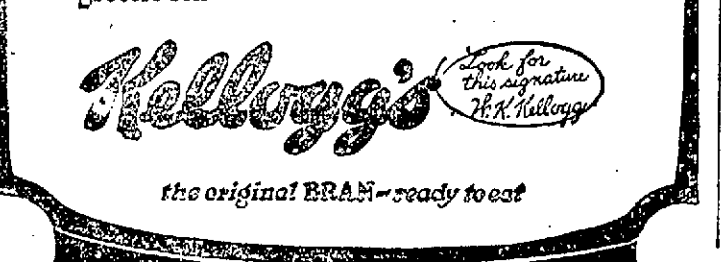

Rid yourself of this dangerous condition—or start "slipping" and become a prey to any one of the most dreaded human ailments which have their beginning with constipation and toxic poisoning!

Fight constipation as you would fight fire! Fight it with bran—Kellogg's Bran—BECAUSE IT IS ALL BRAN! Don't temporize! Don't waste time and health by going half-way! You need ALL BRAN; you need the bulk, the "roughage" of ALL BRAN, because it sweeps, cleanses and purifies!

REALIZE THIS—foods with a part bran content can only relieve constipation in proportion to the amount of bran they contain! If they are 25 or 50 per cent bran—you may get 25 or 50 per cent relief!

REMEMBER THIS—Kellogg's Bran is ALL BRAN and is guaranteed to give you positive and permanent relief if you will eat two table-spoonfuls daily, or as much with each meal in chronic cases!

Don't delay; don't fuss with half-way measures! You have too much at stake! All grocers sell—

Why It's Different

Several brands of cheese are made to look like Kraft Cheese. But Kraft Cheese is something more than size and shape or style of package. You cannot see quality in cheese and you cannot see flavor. But if you could, there no longer would be any resemblance. You would see at once why and where Kraft Cheese is so vastly superior.

KRAFT IN TINS CHEESE

Decidedly Better

The Wagon Wheel

By WILLIAM PATTERSON WHITE

Copyright 1923 by Little, Brown and Company, Boston. Serial rights from McClure Newspaper syndicate.

"I don't need to read it for my self," I know the law. Under Section 554 I quote. "On holding the defendant to answer, the magistrate may take from any of the material witnesses examined before him on the part of the state, a written recital to the effect that he will appear and testify at the court to which the statements and papers are to be sent, or that he will forfeit the sum of five hundred dollars." "I quote from memory, but you will see by consulting the Code that I am correct. What you wish me to do, Mister Sheriff, hinges on these words, 'on holding the defendant to answer.' There is no defendant, therefore I cannot act. If this were not sufficient, permit me to refer you to Section 825 and the words, 'the court in which the action is pending.' No action is pending. Therefore I cannot act."

Judge Dolan brought his chair level with a thump and stared dispassionately at the sheriff.

"I'll take my oath he committed perjury there at the Hawkins ranch," cried the provoked sheriff.

"At the coroner's inquest?" asked Judge Dolan.

"No," was the terse reply. "Of course not. The coroner's inquest was held where we found the body. You know that."

"Then there was nothing formal about the proceedings at the Hawkins ranch? No oath-taking, for instance?"

"Why, no, no oath-taking."

"Perjury presupposes the taking of an oath."

"But I know Bill was mistaken when he said he didn't recognize that saddle."

A moment ago you were sure he had committed perjury. Don't you know your own mind any more, Sheriff?"

The sheriff gulped. The pace was too fast for him. He gulped again. "Then you refuse to hold him—any of them?" he asked aggressively.

"Under the law I have no other choice."

"And I got my saddle and bridle, Judge, huh?" said Pap.

"Unless the sheriff is able to show cause why they should be held. How about it, Sheriff?"

"Oh, he can have 'em," grumbled the officer.

"Nice business," said Pap. "Guess we'll be going home, if you're ready."

"I told you what I intended to do."

For Judge Dolan's benefit, Pap achieved an ingratiating smile. "Be reasonable, girl, be reasonable."

Vegetable Syrup Takes Place of Harsh Drugs and Medicines

Used by Dr. Thacher For Gas on Stomach, Constipation, Indigestion, Colds and Run-down Condition.

We were asked the other day to explain why so many people get such quick relief through the use of the vegetable syrup prescribed by Dr. Thacher—why it so often gave relief after harsh drugs and medicines had failed.

Why You Feel Badly

Dr. Thacher found that the majority who called on him with various ailments were suffering because of gas on the stomach, constipation, indigestion, colds and run-down condition. This organ is the liver. It aids digestion, helps prevent constipation and purify your blood. But, when it is out of order, it causes all sorts of trouble. Consequently you often wake up morning feeling dull and tired and frequently suffer from one or more symptoms such as poor digestion, constipation, languid, faulty movement of the bowels, colds and a general run-down, nervous and upset condition. And, medicines that fail to correct the cause of this condition fail to give you lasting relief.

Get Quick Relief!

Try this, yourself! Just a few spoonfuls of the vegetable syrup prescribed by Dr. Thacher. Notice the quick difference in the way you look, eat, sleep and feel! This vegetable syrup (known as Dr. Thacher's Liver & Blood Syrup) contains ingredients known to physicians for their corrective and health building properties. Start taking it after the next meal to cleanse and tone your liver and build up your system. You will be completely satisfied; otherwise druggists are authorized to refund the entire cost.

Dr. Thacher's Liver & Blood Syrup is sold by McCue & Buss Drug Company, Smith's Pharmacy and H. Bliss in Jansville; Atwell-Dallman Drug Company and Dean Smith in Edgerton; J. L. Collins in Evansville; and by leading druggists in every city and town.

DRUGS EXCITE THE KIDNEYS, DRINK WATER

Take Salts at First Sign of Bladder Irritation or Backache.

The American men and women must guard constantly against kidney trouble because we often eat so much rich food. Our blood is filled with acids which the kidneys strive to filter out; they weaken from overwork, become sluggish, the eliminative function slows down. It is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead, your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headache, or dizzy, nervous spells, acid stomach, or if you have a burning sensation when the weather is bad, begin drinking lots of good soft water and get from your pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine.

This famous salt is made from the acid of grapefruit and lemon juice, combined with little and has been used for years to help flush and stimulate clogged kidneys, to neutralize the acids in the system so they no longer irritate and cause inflammation, thus often relieving bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delicious effervescent, lukewarm drink and becomes a tonic, invigorating and healthy. It is a reliable remedy for a good kidney flushing. In all means have your physician examine your kidneys at least once a year.

Mrs. Eldred is happy to advise all mothers about the care of their children of any age, or on any subject which bears on their life in the field of the doctor.

SOME WAYS FOR THE PROSPERITY MOTHER TO HELP HERSELF

In order to keep in a perfect and healthful condition during the months of pregnancy, the mother should give some time and thought to herself, and realize that though she may be going through a natural period, she can improve herself by thoughtful care.

The bowels should be kept active by the drinking of eight glasses of water daily, two miles of exercise, and the eating of heart if this last is necessary to have a full free movement, or better, two, from apples or some of the ready prepared bran breakfast foods will be effective and are not at all unpleasant to take.

These measures will insure the elimination of poisons in the system and prevent much discomfort.

Heart and Home Problems

By ELIZABETH THOMPSON

Letters May be Addressed to Mrs. Thompson, in Care of the Gazette.

A "MEAN" SISTER

Dear Mrs. Thompson: I am a girl in my teens and am considered very pretty. Most girls would think I am lucky and have nothing to complain about, but I consider myself unlucky.

I have a sister who is not what I consider a real sister. She is inconsiderate. To describe her specifically, she is "hull headed," mean, happy-go-lucky, and has no heart for even her own parents. She not only says unkind things about me behind my back, but says them to my face in front of all my friends.

Got the Real Thing

"For five long years I suffered with stomach trouble and what the doctors called gall stone colic, and all said nothing but an operation was my only way out. A friend who had taken my medicine advised me to try it, and I found it to be the real thing. I feel better than I have in eight years and am praising God for May's Wonderful Remedy." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

VITAL FACTS FOR WOMEN

Sooner or later almost every woman is brought face to face with the fact that she is a victim of some weakness or ailment peculiar to her sex. It may be the young woman suffering from such ailments as nervousness, indigestion, or some weakness or displacement from overwork or the middle-aged woman passing through the most critical period of her life. For each of these trying periods Lydia E. Pinkham's Vegetable Compound has proved the greatest boon ever given to women, and there are women living in every town and city in the country who testify to its value.

Who Is Your Skinny Friend, Ethel

Tell him to take Cod Liver Oil for a couple of months and get enough good, healthy flesh on his bones to look like a real man.

Tell him he won't have to swallow the nasty oil with a fishy taste, because the McCue Laboratories, of New York, are now putting up Cod Liver Oil in sugar-coated, tablet form.

"Ask for McCue's Cod Liver Oil Tablets, McCue & Buss, Smith Drug Co., People's Drug Co., and every drug-gist worthy the name sells them—60 tablets, 60 cents. Any man or woman can put on five pounds of healthy flesh in thirty days, or the money paid for the tablets will be refunded."

One woman put on fifteen pounds in six weeks. Children grow robust and strong.

answer for her sin, but do not put yourself on her level. You will gain nothing, my dear, by filling your heart with hate, and you will gain much if you are able to rise above your sister's ugly ways and keep your heart filled with tolerance and love. I really believe that if you control yourself and overlook the things that hurt and annoy you in your sister, she will respect to the example you set and will learn to be considerate and kind. To act as she does, simply because she annoys you, would simply be an act of ill-will. When your sister says unkind things in front of your friends she only compromises herself and cannot part with in the least if you are gentle and never forget that you are a lady.

LOVE AT FIRST SIGHT

Dear Mrs. Thompson: I am a young man 28 years old and I have been writing to a young woman whom I met on Christmas day. She went out of her mind and said that she would write to me. I am so lonely—some without her that I don't know what to do with myself. I want to make this young woman my wife, but she thinks I am not in love with her. She wrote me that I was just infatuated, but I assured her I was not.

Would you advise me to wait for this young woman? I am so lonely—some without her that I don't know what to do with myself. I want to make this young woman my wife, but she thinks I am not in love with her. She wrote me that I was just infatuated, but I assured her I was not.

THE PROPER TIME

Dear Mrs. Thompson: When should a person go if invited to a twelve o'clock dinner at a private house where the hostess does her own serving?

A SUBSCRIBER.

Plan to arrive fifteen minutes or an hour before the hour set for the dinner. When a hostess does her own work it is confusing to have guests arrive too early.

HOW TO HAVE A BAD SKIN

There is nothing in the world so lovely as the fresh, clear skin of a young girl. It is, or rather it should be, as fine in texture as the skin of a baby and just as delicately rosy and white. But unfortunately very few young girls nowadays have such a complexion. I have heard from many of my favorite habit of counting people in street cars that less than half possess even possibly good skins.

If you want a bad complexion it is the easiest thing on the world to acquire. One bad soda a day will accomplish it with no other help if you possibly can be led.

MANY COGNOMENS ARE SUGGESTED

Host of Letters Received as Time for Street Renaming Nears.

As the time for the official renaming of several Janesville streets draws to a close, the street name editor is swamped with applications, suggestions and suggestions of all kinds, enough to cause plenty of pondering on the part of the special street naming committee of the city council, composed of Councilmen William McCue, A. J. Gibbons and City Manager Henry Traxler. A score of proposals of new cognomens for West Bluff street are contained in Friday's mail, while almost as many letters have been received for the proposed change of Center avenue.

The council committee promises full consideration will be given to every suggestion. The mail of Thursday and Friday was the heaviest the Street Name Editor has received since the contest began. Following are the suggestions contained:

Lowell Avenue for Bluff. "Why not," queries "A Gazette Reader, 'Name West Bluff street Lowell avenue, after one who has just passed on? Surely he was a good man to deal with, a good citizen to talk to, and a good help to Janesville; also lived in the first ward many years. Why not keep his name in memory in this way?"

From E. F. Knapp, 1214 West Bluff street, comes the following proposal: "As there are three Mitchell additions in this neighborhood and the Mitchell were old time residents of this vicinity, I would suggest Mitchell avenue as an appropriate name for West Bluff street. Deliver us from Rose Hill avenue or Sunrise lane."

Another for Station Road. J. N. Dunwiddie, 1610 West Bluff street, says: "If West Bluff street is changed, I think Wilson street would be a good name for it."

"As West Bluff street runs between two stations, I would suggest that it be given the name of Station road," says another West Bluff street resident.

From "First Ward Resident" comes this request: "Regarding the change of the name of West Bluff street, I would like to make the suggestion of Harrison avenue for a new name, which I think would be very proper. Mr. Harrison has lived on the street the last 55 years, a taxpayer owning his fine home, and respected by all."

Janesville, however, already has a Harrison street, running from Milwaukee avenue to St. Lawrence avenue, a block east of Sinclair street.

Would Honor Mrs. Bond. Honor for Cora Jacobs Bond, a native of Janesville, is proposed by Mrs. E. E. Stonewick, 873 North Washington street, in the following statement: "As there are numerous

suggestions for naming streets after well known Janesville residents of earlier days, I would suggest naming one street for one of our best—and world known—women, Carrie Jacobs Bond. And as she lived in the first ward and in the near neighborhood of West Bluff street, I would suggest the name of Bond street for West Bluff."

A second advocate for the proposed name of Bond street is one of the oldest landmarks in the city, Trinity church, which stands on this street.

Center Avenue Proposals. "A. K." says: "A good many names have been suggested for Center avenue, but why not call it South Madison street, as it properly should be, being a continuation of that street? That is one reason why McKee boulevard is going to be called South Jackson street."

From "Taxpayer" comes several suggestions: "In reply to your request to register choices on names of streets, I would propose the name of Pershing boulevard for Center avenue and Madison street; Wilson boulevard for Park street; and I leave the rest to the street editor. The contest has aroused the interest of younger people, as is seen in the following letter: 'I am still a student of the J. H. S., but as I live on Center avenue I am, of course, interested in the naming of my street. All of the names suggested are nice, but I have a feeling that I have noticed everywhere that that name is not becoming to a good reputation and as a name for this street it will not meet with the approval of a more refined people. As it is one of the most becoming and important streets, I would suggest leaving it as it is, or changing it to Broadway.'—A. J. S. Student."

And More of 'Em. Mrs. M. M. Thompson, 1042 Center avenue, says: "In rechristening Center avenue, I suggest Madison boulevard or Madison drive."

"Would like to suggest," writes Mrs. Lindsay, 1320 Mineral Point avenue, "Lexington avenue for Center avenue; Wilson street for West Bluff street; and Wyman street for Park street."

From Mrs. A. H. Shekey, 405 Center avenue, comes a protest against changing the name of Center avenue. She says: "This is my second appeal to you in regard to the renaming of Center avenue. As I am an old resident and taxpayer on this street, I feel that my objection to this change should have consideration from the council."

"Now that Center avenue has a center, it is more than ever an appropriate name for the avenue. Please see that this protest, with many others, reaches the council."

A similar protest comes from Mrs. W. H. Jones, 412 Center avenue, as follows: "In regard to the proposed change in the name of our street, I would say that having been a proponent

Williams Outlines Plans for Better Cities Contest

The plan and purpose of the Wisconsin better cities contest was outlined by Aubrey Williams, Madison, in an address before the Kiwanis club Thursday noon. The speaker urged that the basis of growth and prosperity for a city is the manner in which its institutions make it possible for each individual to secure health, livelihood, personal respectability and self-expression.

"We are not improving on the law of survival of the fittest," declared Mr. Williams, "when we help social inequities and inferior individuals to continue to live and fail to seek out and destroy the sources that produce such individuals. The test of our institutions must be the measure in which they aid the individual to develop the capacity to obtain for himself health, respectability and self-expression. We need to take stock

of our institutions and determine whether they are producing respectability and building character, or if they are merely taking care of those who are shipwrecked."

"To encourage the cities of the state to take stock of themselves and make improvements that are needed is the purpose of the Wisconsin better cities contest, in which the state conference of social work is offering a prize of \$1,000. The contest will open in May and continue until June, 1925."

A comprehensive score sheet has been worked out as a guide to the cities that wish to enter the contest, and the co-operation of the different state departments and the university extension division is available to help cities that desire assistance in discovering their weak points."

FEARS OPERATION: TAKES OWN LIFE. Cedar Rapids, Ia.—James Cansky, 55, killed himself today just before he was to have gone to a hospital for an operation. Cansky told his wife this morning that he would rather be dead than submit to the surgeon's knife.

ANOTHER BANK CLOSES. Jamestown, N. D.—Citizens' National bank, capitalized at \$50,000, closed on account of heavy withdrawal, pending re-organization.

SEVERAL CHOSEN FOR LEGION SHOW CAST

The cast committee for the American Legion show, "All Aboard," to be staged at the Myers theater Feb. 27, 28 and 29, is rapidly placing the parts in the hands of local talent. One of the leads is to be played by Floyd Carpenter, newcomer in this city, who

has had much stage experience. In both amateur and professional work, he has already played in the show to be given.

The part of the mother of the leading lady will be taken by Mrs. R. S. Harper, 627 North Garfield avenue. She has had a variety of stage experience, having taken part in plays at Rockford and Belvidere. John W. Gross, Jr., will take the part of Captain Kild, commander of the S. S. "Florida."

Other parts will be given out as soon as acceptance has been signified by the ones chosen.

Spent a Small Fortune Looking For Relief

"Twenty years of stomach trouble had me in about as bad a fix as a man can get, and after wasting all those years and a small fortune looking for something to relieve me I found in Tanlac the one real medicine that suited my case exactly," declares Fred Boucher, retired business man, 552 Seventy-third Ave., West Mills, Wis.

"I am now seventy-two, but just like a new man since taking Tanlac. My weight has gone up from one hundred and forty-eight pounds to one hundred and seventy-two pounds, and I eat more and digest

it better than in twenty-five years. The bad bloating and pains I used to have in my stomach and side are gone completely, and I feel like I could go back to work on my old job and keep up with the best of them, as I did for thirty-six years before retiring. I am proud of Tanlac and grateful for its wonderful benefits."

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed With Sulphur It Brings Back Its Beautiful Lustre at Once.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray. Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger. —Advertisement.
